- What are the benefits of practicing sports?

O.A.

- What is your favorite sport?

O.A.

Playing sports is a great activity. By practicing sports, you learn to play as a part of a team, develop self-confidence and enjoy being with friends sharing the same goal.

Sports keep you healthy not just physically, but also mentally. Do you need a boost of energy, happiness and relaxation? Play any sport for at least 15 minutes and you will feel the change immediately.

Playing Sports!

Unit One

My goals:

- To greet, thank and apologize
- To ask for and give personal information
- To talk about dates
- To express feelings
- To talk about jobs and what you want to be
- To use present continuous tense
- To use adverbs of frequency

To keep a healthy lifestyle it is recommended to have at least 30 minutes of physical activity regularly and practicing sports is a great way to do it.

There are plenty of sports you can choose from, from sports you can practice individually like swimming, cycling and running to team sports like basketball, football and volleyball. There is a sport that fits everyone. Find yours and start as soon as you can.
